With effect from April 1, 2022, Regulation 23 of SEBI Listing Regulations mandates prior approval of the Shareholders through ordinary resolution for all 'material' Related Party Transactions, notwithstanding the fact that the same are on an arm's length basis and in the ordinary course of business. Further for this purpose, a Related Party Transaction will be considered 'material' if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year exceeds Rs. 1,000 Crore or 10% of the annual consolidated turnover of the Company as per the last audited financial statements of the Company, whichever is lower.

Given the nature of Road Construction, the Company works closely with its related parties (Group Companies, Promoters and Partnership Firms in which Company is a Partner), (hereinafter collectively referred as Related Parties) to achieve its business objectives and enters into various operational transactions with its related parties, from time to time, in the ordinary course of business and on arm's length basis. Amongst the transactions that Company enters into with its related parties, the estimated value of the contract(s)/ arrangement(s)/ transaction(s) with Related Parties of the Company, may exceed the revised threshold of material Related Party Transactions within the meaning of amended Regulation 23(1) of the Listing Regulations w.e.f. April 01, 2022 being the lower of Rs. 1000 crores (Rupees one thousand crores) or 10% (ten per cent) of the annual consolidated turnover of the listed entity, as per the last audited financial statements of the listed entity.

In CCL International Limited, all the related party transactions are in the ordinary course of business and at arm's length basis. Therefore, the approval under section 188 of the Companies Act is not required.

Further, the Company had, in the past, undertaken same/ similar transactions with the Related Parties, However, the estimated value of the aggregate contract(s)/ arrangement(s)/ transaction(s) may also exceed the current threshold under the extant Regulation 23(1) of the Listing Regulations i.e. 10% of the annual turnover of the Company (i.e. Rs. 458.22 Lakh) as per the last audited financial statements of the Company for the financial year 2024-25.

Members may importantly note that the Company has been undertaking such transactions of similar nature with the said related parties in the past financial years, in the ordinary course of business and on arms' length after obtaining requisite approvals. The maximum annual value of the proposed transactions with identified related parties is estimated on the basis of Company's current transactions with them and future business projections.
