## MESSAGE FROM MANAGING DIRECTOR

Dear Shareholders,

I extend my warm greetings to each of you on behalf of CCL International Limited as we reflect on the fiscal year 2023-24.

We commenced FY 2023-24 with strong revenue growth in compare to the last FY 2022-23 and increasing the turnover by 116.98% from the last FY. In a competitive industry, we have set ourselves apart through our commitment to superior service and a dedicated team with a deep investment in your Company's success. These factors contribute to our competitive edge and support our strategic goals.

We can now confidently say that CCL International Limited continues to operate from a position of balance and strength. We are growing construction business in India. We are performing today to deliver top-tier financial performance, while investing to ensure that our performance levels can be sustained in the long term. This year we stepped up our investments without compromising in brand building, R&D, emerging markets infrastructure and our people.

The ability to effectively identify, mitigate and manage the construction risk inherent in every project it undertakes, and the ability to deliver those projects in a manner that appropriately protects the safety of employees, stakeholders and the public, are key elements of success in the construction industry. Developing industry leading capabilities in these areas is a fundamental part of CCL's strategy. CCL International has established a detailed set of project criteria and risk management practices that are continuously reviewed, updated and improved. From the criteria set for selecting the projects it bids, to the evaluation of project risks and appropriate mitigation measures, to project pricing and the senior management approval processes a bid must go through, risk management is a strategic and operational priority for CCL International Limited. An important element of CCL International's risk management strategy is the ongoing monitoring of projects under construction to ensure that the risk management plan established at the bid stage of the project remains sufficient and is being effectively implemented. To assist in this effort, CCL International has established a 'project controls' team, consisting of some of CCL International's most experienced and knowledgeable staff, whose mandate is to ensure that complex projects are provided with state-of-the-art management controls for contract administration, cost control, scheduling and other best practices. This team also reviews the status of key projects against a set of pre-determined criteria, and ensures that the project is meeting its financial and risk management objectives.

We are confident that CCL International will be India's premier construction and infrastructure Development Company. Our employees across India are hard at work making CCL International the best company for our clients, our partners, and you, our valued shareholders.

**Stay healthy and stay safe.**

**Thank you for your continued support.**

## Item No. 8

### Related Party Transaction with identified Promoter Group Companies

#### a. BACKGROUND

With effect from April 1, 2022, Regulation 23 of SEBI Listing Regulations mandates prior approval of the Shareholders through ordinary resolution for all 'material' Related Party Transactions, notwithstanding the fact that the same are on an arm's length basis and in the ordinary course of business. Further for this purpose, a Related Party Transaction will be considered 'material' if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year exceeds Rs. 1,000 Crore or 10% of the annual consolidated turnover of the Company as per the last audited financial statements of the Company, whichever is lower.

Given the nature of Road Construction, the Company works closely with its related parties (Group Companies, Promoters and Partnership Firms in which Company is a Partner), (hereinafter collectively referred as Related Parties) to achieve its business objectives and enters into various operational transactions with its related parties, from time to time, in the ordinary course of business and on arm's length basis. Amongst the transactions that Company enters into with its related parties, the estimated value of the contract(s)/ arrangement(s)/ transaction(s) with Related Parties of the Company, may exceed the revised threshold of material Related Party Transactions within the meaning of amended Regulation 23(1) of the Listing Regulations w.e.f. April 01, 2022 being the lower of Rs. 1000 crores (Rupees one thousand crores) or 10% (ten per cent) of the annual consolidated turnover of the listed entity, as per the last audited financial statements of the listed entity.

Further, the Company had, in the past, undertaken same/ similar transactions with the Related Parties, However, the estimated value of the aggregate contract(s)/ arrangement(s)/ transaction(s) may also exceed the current threshold under the extant Regulation 23(1) of the Listing Regulations i.e. 10% of the annual turnover of the Company (i.e. Rs. 357.01Lakh) as per the last audited financial statements of the Company for the financial year 2023-24.

Members may importantly note that the Company has been undertaking such transactions of similar nature with the said related parties in the past financial years, in the ordinary course of business and on arms' length after obtaining requisite approvals. The maximum annual value of the proposed transactions with identified related parties is estimated on the basis of Company's current transactions with them and future business projections.

## 2. COMPANY PERFORMANCE:

On the financial basis, the turnover for the Financial Year 2023-24 is Rs. 3570.11 Lacs which is increased by 116.98% over last year (Rs. 1645.38 Lacs in Financial year 2022-23). However, there is also increase in the net profitability of the company because the Sale of the company has been increased as compare to the last year.

Due to competitive pressure infrastructure development in India has been going through a very difficult phase over the last few years, affecting the overall performance. Consequently, players in the construction space, especially those in business of Road construction & building large infrastructure for the state and central governments, had to face severe financial, operational and regulatory challenges, such as very tight liquidity conditions, serious stress on cash flows, as well as sundry issues brought up in the ambit of environment and social displacement.

Our focus area continues to be the execution of civil engineering projects with specialization on road & bridge. Further your Company had been successful in bagging various contracts for execution of Infrastructure Projects. Apart from above, the Company expects substantial increase in the order book position.

Your Directors along with the entire management team is taking all possible action to ensure that we are able to sustain our financial growth and business operational developments in spite of all adverse external conditions & competition.

## 3. BUSINESS OPERATIONS:

As you are already aware, your company introduced a German Technology i.e. **Evocrete®ST** used in various regions in conducting its road construction activities and working with it from the past 12 years which has impact on the goodwill and profitability of the company. Since using this technology, the Company has bagged various infrastructure development projects (for construction of roads & highways) operational in many parts of the country which are based on the same German Technology Evocrete! CCL has brilliantly used its management skills and expanded its reach to different region of the country.

**Product: “EvoCrete”** is a unique formulation which provides for modification of soil making it appropriate for road construction. It is used for complete solidification of any soil type which has zero or negligible aggregates. Under this technology a mechanized recycler or as also called a soil stabilizer is used for integrating an additive to the soil. Even a Ready Mix Cement plant tested & tried on more than 5.0 Million Sq. Meters world over is being used as per road or pavement design leading to best in class ready to use traffic roads. In brief we can say that the German Technology provides for a soil stabilization technique which binds the soil with adequate quantity of cement and water ensuing in development of solid concrete slab.

**EvoCrete®** is the latest generation evolved soil & Concrete modifiers for infrastructure industry are most trusted world over to bring speed, strength & life. Remarkable Additives helps in cost & engineering designs. Technology i.e. specialized for infra projects, evolved to construct roads, highways, canals, railways etc. at most cost effective & efficient manner. ### Overview

The new National Democratic Alliance government, led by Prime Minister Narendra Modi, has taken charge and leads the country in its third consecutive term. Despite challenges, the Indian economy has improved further and shown resilience. The National Statistical Office (NSO) has put India’s real GDP growth for 2023-24 at 8.2%. The Reserve Bank of India (RBI) revised its GDP growth projections for 2024-25 to 7.2% from 7%. In May, 43 professional forecasters invited by the RBI for the 88th Round of Survey of Professional Forecasters, projected a range of GDP growth from 6.4% to 8.1% for 2024-25 and 6.0% to 7.7% for 2025-26. The global economy is expected to be largely stable over the next two years, with the IMF projecting a growth of 3.2% for the world economy for 2024 and 2025. The Government of India’s (GOI) resource position is also robust and the growth push is targeted via continued and larger infrastructure spending. The improved balance sheet of corporate has added further confidence to consumers and capital markets. Furthermore, growth in demand conditions and investment activity are leading to sustainable, long-term economic growth. The Union Government’s gross tax revenues were `1.4 trillion in 2023-24, and the RBI dividend of `2.11 trillion puts it in a very comfortable position. Consequently, GOI has been more aggressive in its fiscal consolidation path with the Budget setting a fiscal deficit target of 4.9% of GDP well below the 5.1% of GDP proposed in the Interim Budget. For 2023-24, the GOI had clocked a fiscal deficit of 5.6% of GDP by the end of the year -- as against the 5.8% of GDP targeted in the revised estimates.

Apart from that, RBI data shows that credit off take is quite good. In 2023-24, non-food credit from scheduled commercial banks was 22% higher than the previous year. The manufacturing and construction sectors are doing well. Manufacturing indicators like IIP and PMI show healthy trends, while the construction sector showed strong growth over the past year

## Roads and Highways

India has the second-largest road network in the world, spanning a total of 6.3 million kilometers (kms). Being the most preferred mode of transportation the road network transports 64.5% of all goods in the country and 90% of India's total passenger traffic. As of January 2024, the total length of National Highways in the country is 146,145 km. Road transportation has been gradually increasing over the years with improvement in connectivity between cities, towns and villages in the country.

India aims to accelerate the development of its national highways, including high-speed access-controlled routes, to establish a world-class road network by 2047 as part of its goal to transition into a Developed Nation by 2047. The plan involves expanding the national highways network to over 2,00,000 kilometers, with a significant increase in access-controlled highways to 50,000 kilometers from the current 4,000 kilometers within the next 13 years. Additionally, the government aims to reduce road accidents by 95% over the next 25 years.

According to the MoRTH, Financial Year 2023-24 was the year of consolidation of the gains that accrued from major policy decisions taken in the previous ten years, a time for monitoring of ongoing projects, tackling roadblocks and adding to the impressive pace of work achieved during the past years. During the year, the MoRTH and its associate organizations have expanded the national highways network in the country, taking various steps to make these highways safe for the commuters and undertaking effective steps to minimize adverse impact on the environment. The length of 4-laned National Highways has increased by 2.5 times, from 18,387 km in 2014 to 46,179 km, as of November 2023. The average pace of NH construction has also seen a remarkable increase, rising to 33.83 km/day in 2023 from the baseline 12.1 km/day in 2014.

The three megatrends – global offshoring, digitalization and energy transition – are setting the scene for unprecedented economic growth in the country. The economy has withstood the challenge of mitigating external imbalances caused by the Russian-Ukraine conflict without losing growth momentum in the process. Increase in international crude oil prices is one of the major worries for India as it is a net importer of energy. India's stock markets had a positive return unfazed by withdrawals by foreign portfolio investors.

India's inflation rate did not creep too far above its tolerance range compared to several advanced nations and regions. Several factors are responsible for India's growth resilience includes strong infrastructure spending, export growth driven by services, improved labour market and robust revenue collections to support public spending. India has sufficient forex reserves to meet its current account deficit and intervene in the forex market to manage volatility in the Indian rupee. India's financial sector also remains strong, buoyed by improvements in asset quality and robust private-sector credit growth. India is expected to currently grow at 7.2% which is a robust growth rate compared to that of other major economies. Well designed policy measures have reduced inflation pressures, ensured better-targeting of fiscal policy support and revive sustainable growth.

Significant initiatives have been introduced under Aatmanirbhar Bharat and Make in India programmes to enhance India's manufacturing capabilities and exports across the industries. These are investor-friendly programmes that domestic companies are utilising to increase their production base and create new capacities which lead to increasing domestic investments.

The current growth trajectory will be supported by multiple structural changes that have been implemented over the past few years. Further support to economic growth will come from the expansion of public digital platforms and measures such as PM GatiShakti, the National Logistics Policy and the Production Linked Incentive schemes to boost manufacturing output. The government's initiatives in agriculture, infrastructure, employment generation and healthcare are expected to have a positive impact on the country's economic development and growth in the coming years. Apart from housing, construction activity, in general, has significantly risen in FY23 as the much-enlarged capital budget of the central government and its public sector enterprises is rapidly being deployed. With improved and healthier balance sheets of the banking, nonbanking and corporate sectors, a fresh credit cycle has already begun, evident from the growth in bank credit. India has emerged as the fastest-growing major economy in the world backed by its robust democracy and strong partnerships.

## **RESOURCES AND LIQUIDTY**

Your Company presently maintains conservative financial profile so as to build its future based on sound financial resources.

## **RISK MANAGEMENT**

The Company is exposed to certain financial risks, principally interest rate risk, construction risk and risks associated with competition among others. Your Company recognizes the need to control and limit risk, which it faces in day to day course of the business. These risks are managed through risk management policies that are designed to minimize

the potential adverse effects of these risks on financial performance of the Company. The following section discusses some of these risks and steps taken by CCL to mitigate such risks.

- **Competition Risk** - With increased project awarding by the government, the road and construction industry is expected to attract several domestic as well as international players. This increase in competition may lead to an aggressive bidding environment, resulting in price cut and low operating margins as well as lower market share of project awards. Risk Mitigation - With five years of industry experience and led by a proven management team, who have honed their project managing skills right from the drawing board to the final execution, the Company is confident of meeting present and future competition and enjoy continued growth. To further mitigate this risk, where considered prudent, the Company forms strategic partnerships and joint ventures with quality players. This facilitates synergies both in the financial and technical and enables it to compete with the larger players.
- **Slow-down in Road Sector** - Any slowdown on part of the government to award road projects could adversely affect growth prospects. Risk Mitigation - The present government has taken focused steps to ensure that infrastructure creation moves at an accelerated pace, thus reducing the possibility of this risk to a considerable extent. Moreover, the Company already has sufficient order backlog to ensure growth momentum in the medium term.
- **Construction Risk** – Infrastructure projects involve complex design and engineering, significant procurement of equipment and supplies and extensive construction management and other activities conducted over extended time periods, sometimes in remote locations. This could lead to cost-time overruns, thereby impacting profitability. Risk Mitigation – CCL with its vast experience of project management, balanced capital structuring and efficient cost control measures is well geared to mitigate this risk.
- **Input Risks** – The availability of the right quality and quantity of resources (raw material and finances) is critical for the timely completion of infrastructure projects. Besides, cost escalation could affect profitability Risk Mitigation – The Company controls its projects directly – as opposed to subcontracting core infrastructure assignments – enabling it to ascertain when material would be required in what quantity and where. It procures key raw materials (steel and cement) directly from leading manufacturers for a more timely access. Moreover, most of the Company’s contracts are protected with input escalation clauses, which protect profitability
- **Manpower risk**-Since people represent the most valuable asset in the business, any attrition could lead to a valuable loss of competitive edge. Recruitment and retention of specialized professionals is an industry wide problem. Risk Mitigation – The Company maintains a cordial and informal working environment. It delegates authority at all levels through a defined system of the scope of work, responsibility and reporting structure which results in leaders being grown at every tier. It remunerates employees according to the prevailing industry standards and conducts in-depth training – functional and attitudinal, leading to a low attrition rate.

## **HUMAN RESOURCES**

---

The Company continued with efforts to ensure that its pool of human resources is “future ready” through its robust processes of learning & development, capability building and its development programmes. Efforts were taken to develop leadership lines as well as to enhance technical and functional capabilities with special focus on nurturing young talent, in order to face future challenges. # STANDALONE INDEPENDENT AUDITORS' REPORT

To,  
The Members of  
CCL INTERNATIONAL LIMITED

## Report on the Audit of the Standalone Financial Statements

### Opinion

We have audited the accompanying standalone financial statements of CCL International Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, its profit and total Comprehensive Income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1.	<p><b>Revenue recognition over time in Construction contracts</b></p> <p><i>From financial year 2022-23 the Company has applied Ind AS 115 "Revenue from Contracts with Customers". The main portion of the Company's income relates to construction contracts. In all material respects revenue is related to construction projects and is recognized over time, i.e. applying percentage of completion. Thus, revenue and costs in construction projects is recognized based on assumptions and estimates on future outcome as documented in the projected forecasts. These forecasts include estimates of costs for e.g. labour, material, subcontractors and defect liability. From time to time, the latter may require updated estimates also for completed projects. As applicable, forecasts also include assessment of claims on customer relating to, e.g. change or additional orders and deficiencies in tender conditions. The element of assumptions and estimates means that final results may deviate from those now reported. The size of the amounts involved combined with element of assumptions and estimates make this a key audit matter.</i></p>	<p><i>We have performed analytical reviews of revenue and margins reported and evaluated management's routines for follows up of the projects financial results and also discussed later with management.</i></p> <p><i>On the sample basis, we have examined revenue and the recognized project cost on which the determination of completion ratio is based. We have also tested the mathematical accuracy of the percentage of completion profit calculation.</i></p> <p><i>We have discussed with the company the principles, methods and assumptions on which estimates are based, including those forming the basis for defect liability provisions for projects already completed.</i></p>

### **Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility and Sustainability Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Standalone Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirement**

1. As required by Section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the statement of changes in Equity and Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
  - d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- e. On the basis of written representations received from the directors as on March 31, 2024 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “**Annexure A**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- g. With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - a. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements. Refer Note 28 to the Standalone Financial Statements.
  - b. The company was not required to deposit or pay any dues in respect of the Investor Education and Protection Fund during the year.
  - c. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;  
  
(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;  
  
(c’) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- d. Based on our examination, which included test checks, we have found that the Company did not use accounting software with an audit trail (edit log) feature for maintaining its books of account for the financial year ended March 31, 2024. Consequently, there is no record of audit trail functionality for relevant transactions during the year.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

## ANNEXURE-"A" TO THE INDEPENDENT AUDITORS' REPORT

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- a. (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
    - i. The Company does not have any intangible asset; hence, the clause is not applicable to the company.
  1. The fixed assets have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of verification of the fixed assets is reasonable having regard to the size of the Company and the nature of its assets.
  2. Based on our examination of rent agreements for the buildings being used as offices and title deeds of all other immovable properties, disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
  3. The company has not revalued its Property, Plant & Equipment during the year.
  4. No proceedings have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- b. (a) The management has conducted physical verification of inventory at reasonable intervals. The procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business. The Company is maintaining proper records of inventory and no material discrepancies between physical inventory and book records were noticed on physical verification.
    1. The company has not been sanctioned any working capital limits during the year, hence, the clause is not applicable to the company.
- c. During the year, the company has not provided any guarantee or security or granted any loan or advance to any company, firm, Limited Liability partnership or any other parties. The Company has made investment during the year in a joint venture arrangement.
    - (a) The Company has not provided any loans or advances in the nature of loan or stood guarantee or provided security to any other entity during the year. Hence reporting under clause 3(iii)(a) of the Order is not applicable.
    - (b) In our opinion, the investments made by the company, during the year are, prima facie, not prejudicial to the Company's interest.
    - (c) The company has not provided any loan or advance during the year, hence, reporting under sub-clause (c'), (d), (e') and (f) are not applicable.
- d. The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.
  - e. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.

- f. According to the information and explanations given to us, pursuant to the rules prescribed by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, we have broadly reviewed the cost records and are of the opinion that prima facie, the prescribed records have been made and maintained by the Company.
- g. (a) In respect of statutory dues, in our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues, as applicable to it with the appropriate authorities. There were no undisputed amounts payable in respect of Goods and Service tax, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.
1. Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2024 on account of disputes are given below:

<b><i>Nature of the statute</i></b>	<b><i>Nature of dues</i></b>	<b><i>Amount in lakhs</i></b>	<b><i>Period to which the amount relates</i></b>	<b><i>Forum where dispute is pending</i></b>
<i>Goods and Service Tax Act, 2017</i>	Demand u/s 73	0.54	AY 2018-19	Assistant Commissioner, Ghaziabad
<i>Goods and Service Tax Act, 2017</i>	Demand u/s 73	0.09	AY 2018-19	Assistant Commissioner, Ghaziabad

<i>The Income Tax Act, 1961</i>	Demand u/s 143(3)	1853.74	AY 2011-12	Income Tax Officer, New Delhi
<i>The Income Tax Act, 1961</i>	Demand u/s 154	1.68	AY 2015-16	Income Tax Officer, New Delhi
<i>The Income Tax Act, 1961</i>	Demand u/s 147	45.26	AY 2016-17	Income Tax Officer, New Delhi
<i>The Income Tax Act, 1961</i>	Demand u/s 143(3)	19.08	AY 2017-18	Income Tax Officer, New Delhi
<i>The Income Tax Act, 1961</i>	Demand u/s 154	19.21	AY 2018-19	Income Tax Officer, New Delhi

**Note- The above amounts are exclusive of interest and penalty imposed thereon.**

- h. There were no such transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- i. According to the information and explanations given to us, the Company has not defaulted in repayment of loans and borrowing to bankers & financial institutions. The Company does not have any debentures. Hence, sub-clauses (a) to (f) are not applicable to the company.
- j. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
1. During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b') No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c') The auditor has considered whistle-blower complaints received during the year, by the company.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the Standalone Financial Statements as required by the applicable accounting standards.
- (xiv) (a) The company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the reports of the Internal Auditors for the period under audit.
- (xv) In our opinion, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions,

nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Companies Act, 2013 pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

# ANNEXURE-B TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF CCL INTERNATIONAL LIMITED

## **Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")**

We have audited the internal financial controls with reference to Standalone Financial Statements of **CCL INTERNATIONAL LIMITED** (the "Company") as of March 31, 2024 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date

### **Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls with reference to Standalone Financial Statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Standalone Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to Standalone Financial Statements.

## **Meaning of Internal Financial Controls with reference to Standalone Financial Statements**

A company's internal financial control with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Standalone Financial Statements includes those policies and procedures that :

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## **Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial control with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to Standalone Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at March 31, 2024, based on the criteria for internal financial control with reference to Standalone Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

The Company is listed on Bombay Stock Exchange (BSE). The Company is an Infrastructure Company executing major civil works including Roads, bridge, highways across India.

#### II. SIGNIFICANT ACCOUNTING POLICIES

##### 1. Basis of Preparation

The financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies during the year presented.

##### 2. Revenue Recognition

###### a. Revenue from Construction activity:

*i)* Income is recognized on construction contracts in accordance with the percentage of completion basis, which necessarily involve technical estimates of the percentage of completion, and costs to completion, of each contract / activity, on the basis of which profits and losses are accounted. When the outcome of the contract is ascertained reliably, contract revenue is recognized at cost of work performed on the contract plus proportionate margin, using the percentage of completion method. Percentage of completion is the proportion of cost of work performed up to the date, to the total estimated contract costs.

*ii)* The stage of completion of contracts is measured by reference to the proportion that contract costs incurred for work performed up to the reporting date bear to the estimated total contract costs for each contract.

*iii)* Price escalation and other variations in the contract work are included in contract revenue only when:

- Negotiations have reached at an advanced stage such that it is probable that customer will accept the claim and
- The amount that is probable will be accepted by the customer and can be measured reliably.

###### b. Income from Trading sales:

Revenue from trading activities is accounted for on accrual basis.

###### c. Revenue receipts from Joint Venture Contracts

In work sharing Joint Venture arrangements, revenues, expenses, assets and liabilities are accounted for in the Company's books to the extent work is executed by the Company.

###### d. Interest Income

Interest on fixed deposits is accounted on accrual basis.

###### e. Dividend Income

Dividend income is accounted in the year in which the right to receive the same is established.

### **3. Property, Plant and Equipment**

Property, plant & equipment are stated at their cost of acquisition/construction, net of accumulated depreciation and impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Any gain/loss on the disposal of the Property, Plant and Equipment is recognized in the Statement of Profit & Loss account and is determined as the difference between the sales proceeds and the carrying amount of the asset.

### **4. Depreciation and amortization**

Depreciation on Property, Plant and Equipment is provided on Straight Line Method as prescribed in Schedule II to the Companies Act, 2013. The management estimates the useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

### **5. Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

#### **An asset is treated as current when it is: -**

- Expected to be realised or intended to be sold or consumed in normal operating cycle (determined by the company considered as 12 months);
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- All other assets are classified as non-current.

#### **A liability is current when:**

- It is expected to be settled in normal operating cycle (determined by the company considered as 12 months);
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- The Company classifies all other liabilities as non-current.

### **6. Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when Company becomes a party to the contractual provisions of the instruments.

#### **a. Financial Assets**

##### **i) Financial Assets at Amortised cost**

Financial assets are subsequently measured at amortised cost using the Effective Interest Rate method (EIR) if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

**ii) Financial Assets at fair value through profit or loss (FVTPL)**

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition.

**iii) Impairment of financial assets**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

**iv) De-recognition of financial assets**

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

**b. Financial Liabilities**

**i) Financial liabilities at Amortised Cost**

Financial liabilities are measured at amortised cost using the effective interest rate method (EIR). Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

**ii) De-recognition of Financial liabilities**

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid / payable is recognised in the statement of profit and loss.

**c. Offsetting of financial instruments**

Financial assets and Financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

**7. Fair Value**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability or in the absence of a principal market, in the most advantageous market for the asset or liability.

**8. Inventories and Work in progress**

Raw Materials, Construction Materials and Stores & Spares are valued at lower of weighted average cost or net realizable value. Cost includes direct material, Work Expenditure, Labour Cost and appropriate overheads excluding refundable duties and taxes.

Work in Progress is valued at contracted rates less profit margin / estimates.

#### **9. Provisions, contingent assets and contingent liabilities**

A provision is recognized when:

- the Company has a present obligation as a result of a past event;
- it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

#### **10. Foreign Currency Transaction**

Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transactions. Exchange differences arising on foreign currency transactions are recognized as income or as expenses and accordingly debited or credited to profit and loss account.

#### **11. Retirement and other Employees' Benefits**

**Provident Fund** : Provision of Provident Fund is not applicable to the company.

**Gratuity**: No provision for gratuity has been made as there is no amount due towards.

#### **12. Earnings per share**

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

#### **13. Taxation**

##### **a. Current Tax:**

Provision for Current tax is made based on the liability computed in accordance with the relevant tax rates and provisions of Income Tax Act, 1961 as at the balance sheet date and any adjustments to taxes in respect of the previous years, penalties if any related to income tax are included in the current tax expense.

##### **b. Deferred Tax**

Deferred income tax assets and liabilities are recognized for temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax base using the tax rates that are expected to apply in the period in which the deferred tax asset or liability is expected to settle, based on the laws that have been enacted or substantively enacted by the end of reporting period.

##### **c. Minimum Alternative Tax (MAT)**

MAT credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT Credit Entitlement. The company reviews the same at each

balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that company will pay normal Income Tax during the specified period.

#### **14. Borrowing Cost**

Borrowing cost that is directly attributable to the acquisition or construction of a qualifying asset are considered as part of the cost of the asset. All other borrowing costs are treated as period cost and charged to the statement of profit and loss in the year in which incurred.

#### **15. Significant management judgment in applying accounting policies and estimation of uncertainty**

##### **a. Significant management judgments**

When preparing the financial statements, management undertakes a number of judgments, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses. The following are significant management judgments in applying the accounting policies of the Company that have the most significant effect on the financial statements.

##### **i) Revenue**

The Company recognises revenue using the percentage of completion method. This requires estimation of the projected revenues, projected profits, projected costs, cost to completion and the foreseeable losses. These are reviewed periodically by the management and any effect of changes in estimates is recognized in the period in which such changes are determined.

##### **ii) Recognition of deferred tax assets**

The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized otherwise the deferred tax is not recognized.

##### **b. Estimation of uncertainty**

##### **i) Recoverability of advances/receivables**

At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

##### **ii) Provisions**

At each balance sheet date on the basis of management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding warranties and guarantees. However the actual future outcome may be different from this judgment.

#### **16. Cash and Cash Equivalents**

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash at banks and on hand and short term deposits, as defined above net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

**Note-**

- 1) During the year, some work contract revenue has been recorded inclusive of GST. The corresponding GST collected on these transactions has been accounted for as a direct expense.
- 2) Additionally, at the year end there was an unbilled revenue amounting to Rs.838.72/- Lakh, which has been included in the total revenue, but the corresponding GST has not yet been transferred to direct expense.
- 3) The net revenue, excluding GST, has been appropriately adjusted and reported in accordance with applicable accounting standards.
- 4) If the revenue had been accounted for without including GST, the reported revenue would be lower by the GST amount. Consequently, the direct expenses would also decrease by the same amount, resulting in no net impact on the Profit and Loss (P&L) statement.
- 5) Details of the above explanations are as follows-

**Note 36: Capital Management**

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The Company strives to safeguard its ability to continue as a going concern so that they can maximize returns for the shareholders and benefits for other stake holders. The aim is to maintain an optimal capital structure and minimize the cost of capital.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may return capital to shareholders, issue new shares or adjust the dividend payment to shareholders (if permitted). Consistent with other entities in the industry, the Company monitors its capital using the gearing ratio which is total debt divided by total equity.

During the year there are no financial instruments which are measured at Level 1 and Level 2 category.

The fair value of financial instruments referred above have been classified into three categories depending on the inputs used in the valuation technique. The categories used are as follows:

**Level 1:**

This hierarchy includes financial instruments measured using quoted prices.

**Level 2:** The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

**Valuation processes :**

For level 3 financial instruments the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

**(iii) Fair value of financial assets and liabilities measured at amortised cost for which fair values are disclosed.**
